

Name: _____

Kuder Activities Lesson 5: Student Worksheet

The goal of this activity is to help you choose a cluster of occupations around which you can develop an education plan for high school.

(Note: You must complete the Kuder Career Interests Assessment® before doing this activity.)

- Log on to <http://www.indianacareerexplorer.org/>. Select **Sign In** and then enter your username and password. Next, click **Sign Me In**.
- Click on **My Assessments** and select **My Assessment Results**.
- To view your Kuder Career Interests Assessment® results, click on the title. The five pathways listed are displayed in rank order and represent those pathways in which you have shown the most interest. You should consider building your high school education plan around one of the clusters listed below each pathway.

Pathway One

- Click on the title of the first pathway listed, read its complete description.
- Click on the drop-down menu for **Education Level** and select the level of education you plan to pursue and Apply Filters to view a list of occupations in this pathway. If no occupations are listed, select another education level.
- Click on the titles of up to three occupations within this pathway and fill in the information below.

Cluster to which the pathway belongs:

Education Level: _____

Occupations researched in this pathway: _____

Your reaction to this pathway (circle a number): Dislike --- 1 2 3 4 5 --- Like

Pathway Two

- Click on the title of the second pathway listed and read its complete description.
- Click on the drop-down menu for **Education Level** and select the level of education you plan to pursue and Apply Filters to view a list of occupations in this pathway. If no occupations are listed, select another education level.
- Click on the titles of up to three occupations within this pathway and fill in the information below.

Cluster to which this pathway belongs:

Education Level: _____

Occupations researched in this pathway: _____

Your reaction to this pathway (circle a number): Dislike --- 1 2 3 4 5 --- Like

Pathway Three

- Click on the title of the third pathway listed and read its complete description.
- Click on the drop-down menu for **Education Level** and select the level of education you plan to pursue and Apply Filters to see a list of occupations in this pathway. If no occupations are listed, select another education level.
- Click on the titles of up to three occupations within this pathway and fill in the information below.

Cluster to which this pathway belongs:

Education Level: _____

Occupations researched in this pathway: _____

Your reaction to this pathway (circle a number): Dislike --- 1 2 3 4 5 --- Like

Pathway Four

- Click on the title of the fourth pathway listed and read its complete description.
- Click on the drop-down menu for **Education Level** and select the level of education you plan to pursue and Apply Filters to see a list of occupations in this pathway. If no occupations are listed, select another education level.
- Click on the titles of up to three occupations within this pathway and fill in the information below.

Cluster to which this pathway belongs:

Education Level: _____

Occupations researched in this pathway: _____

Your reaction to this pathway (circle a number): Dislike --- 1 2 3 4 5 --- Like
