

Name: _____

English Lesson 1: Student Worksheet

The goal of this activity is to help you relate your career interests to postsecondary education opportunities.

(Note: You must complete the Kuder Career Interests Assessment® to participate in this activity)

- Log on to <http://www.indianacareerexplorer.org/>. Select **Sign In** and then enter your username and password. Next, click **Sign Me In**.
- Select the **Explore Occupations** left navigation menu, then click **Occupations Suggested by Assessment Results**.
- Select an education level from the filter options, click **Apply Filters** and write your chosen level here: _____
- Click on one of the occupations listed and write its title here (the occupations that best align with your assessment results will be listed first):

- Click on **Interests, Skills, and Work Values**.

1. Choose an interest that is important to you and write it here:

- Write two or three sentences explaining how you demonstrate this interest and how having this interest might make you a good fit for this occupation.

2. Choose a skill that is important to you and write it here:

- Write two or three sentences explaining how you demonstrate this skill and how having this skill might make you a good fit for this occupation.
