Dear Graduate,

Congratulations on earning a Core 40 with Honors Diploma. I commend your effort and applaud your achievement.

By receiving this diploma, you have demonstrated a commitment to completing the necessary requirements for this honor, while attaining a quality education. This achievement also reflects the hard work you have invested in and out of the classroom, and your ability to manage the various demands for your time throughout the last four years.

By completing this rigorous coursework, you have shown your family, friends, and educators that you have the dedication and work ethic required to graduate with honors. Know all of us are proud of you.

Whether your next step involves higher education, the workforce, the military, or another endeavor, I am confident the skills you have gained by earning your Honors Diploma will continue to benefit you.

Again, congratulations on your accomplishment. I wish you all the best.

Sincerely,

Dr. Jennifer McCormick
State Superintendent of Public Instruction
