MISSION STATEMENT

NorthWood High School prepares students for the greater community in a safe environment which promotes high expectations through innovative learning.

ABOUT US

Wa-Nee Community School Corporation has a tradition of excellence in serving both Nappanee and Wakarusa. These small rural communities in Northern Indiana are regional centers for recreational vehicle manufacturing and farming.

We employ 375+ dedicated teachers and staff that strive to ensure our nearly 3,000 students are provided a quality education within three elementary schools, one middle school, and one high school. Our school facilities and services are second to none in the region and our communities work together to put education first.
