DIPLOMA TYPE:        C40                    C40AHD                    C40THD

**NO SCHEDULE CHANGES WILL BE MADE AFTER MAY 31, 2019!**

Once the school year ends the only schedule changes allowed would be due to one of the following reasons:

1. Administrative shifts in the master schedule
2. Improper placement in a course due to failure of a prerequisite

\*These exceptions are also listed in the student handbook. Students are advised to make sure the schedule change requested reflects one of these situations.

**STUDENT/PARENT RESPONSIBILITY STATEMENT**

I am responsible for understanding the curriculum requirements as approved by the School Board of the Merrillville Community School Corporation. These requirements and course descriptions are available on line in the Merrillville High School Curriculum Guide.

I also understand that if I need further clarification or allowable adjustments in my schedule for the upcoming school year, I will contact my guidance counselor immediately. I understand that once the deadline has passed, I cannot ask to change an elective because I no longer want to take the class.

**IU and Purdue Dual Credit Information**

Starting with the 2019-20 school year, applications and registration for dual credit courses will be online. I understand I have to meet the criteria set by the institution in order to participate in the dual credit program. This includes a GPA of 2.7 for IU and 3.0 for Purdue. It is my responsibility to make sure I apply, register, and pay for courses by the appropriate deadlines. More information regarding registration will be forthcoming.
